- Carrie spoke to us about Circle of Women and how they are incorporating St. John's mission of Go! Make! Teach!
- Rita encouraged all of us to attend Wines to Wishes.
- Rita asked how we can get more volunteers to do hospitality. It is a dilemma each weekend that we have hospitality.
- At staff meeting Tuesday it was brought up that there is a strong African/American group at St. John's and it is not known what Commission Group they would be part of.
- Twin Cities Chorale, a 60 member Christian group with a 13 member orchestra, would like to perform at St. John's sometime in 2018. It has existed for 20 years. David Drajna is going to bring it before the PLC.
- PLC is encouraging that each commission have a representative on the planning of the 50 year celebration at St. John's.
- Possibility of Janice Treet joining PGA Commission. PGA should try to recruit replacements for two additional people.
