

Winter Scripture 2018

The Gospel of Luke (12 sessions)

Luke's gospel tells us there is a final nuance to Luke's portrait of Jesus, and this deals with the faithfulness of Jesus' God. Luke begins his Gospel with this theme as he tells how promises have been fulfilled in the birth of Jesus; he ends it with the theme as he tells how promises has fulfilled promises in raising Jesus from the dead. This God will surely be faithful to promises made to Jesus' followers who journey from all corners of the globe to take up their places at the heavenly banquet with Abraham, Isaac and Jacob.
