Minutes

Reviewed PLC minutes from Oct. 15, 2014 meeting (Jill)

- Cary will distribute the PLC minutes one week prior to our meeting so everyone is current on what is discussed. All of the commission minutes are on the parish website.

Updates:

- Hymnal replacement:** Jay – no decision has yet been made. One option is to have no hymnal just a leaflet. Jay will check to see what the cost will be for a larger leaflet. Getting sponsors to offset the additional cost may be an option. We will revisit after the first of the year.
- Ignite Mass** has started and will be weekly. Abraham Gross is the director. They are currently recruiting for readers, greeters & Eucharistic ministers.
- Arts and Environment:** Ideas for FallFest proceeds from 2015 – Major repairs needed in the church.
 - Looking at carpet samples for St. Joseph Hall;
 - AV equipment in SJH is needed for Christmas and Easter;
 - A Cry room is needed – nursery (preschool room) may be an option with audio feed.
 - We can't forget that the church is the centerpiece of the parish. We should do all we can to entice people to attend and participate.*

General Feedback on Servant Leader Model

- Jill - After attending the Oct. PLC meeting and seeing the whole picture, you can connect the dots and it becomes much clearer as to what is trying to be accomplished. If you can make it to a meeting, please do so.
- Announcements should be given at 6:20pm, while people are eating their dessert, so we can begin the individual commission meetings at 6:30pm.

Next meeting: Dec 17. It will be hard for several members to make this meeting due to choir practice. – the March meeting as well.
