Worship Commission Goals for 2017-2018

- Enhance and Grow Adult and Children's Choir
 - Most important is the Children's Choir. The Children's Choir we currently have is wonderful. Carrie K. is very talented and has done an amazing job with the children thus far. More children are needed. How do we get more public-school children involved?
- Pat will put something together for December. If you have suggestions, please send them to Pat.

Flocknotes - Pat will send all correspondence via Flocknotes going forward.

Ministry Scheduler Pro – Hospitality Committee use

- Pat will follow up with Gary R.

Worship Commission Constitution and By Laws

- Michael submitted proposed revised Commission Mission statement, referring to Pope Francis. Suggestion was made to keep the Mission statement “timeless” and concise.
- Need to modify Constitution with new Parish Mission statement. Future agenda item.

How is the Worship Commission planning to live the new parish mission statement?

- The current Worship Commission mission statement meets the needs of the Worship Commission and the mission of the parish.
- Please continue to think and pray about our current mission statement. More discussion in December.

New Business

Dealing with donations and One Spirit Many Gifts commitment process.

- Recommend the OSMG commitment process of going forth to deposit your pledge end due to it being confusing for some. We missed out on the loose change collection, which is normally over \$700. It is recommended to have one collection for both Sunday giving and pledge giving, using regular collection method by the ushers.
