Welcome back! Thank you to everyone for helping with hospitality the weekend of September 12/13.

Review of hospitality weekend:

- We gained one new choir volunteer.
- It was hard to get the parishioners to watch the slide show so they see what the Worship Commission is about.
- Volunteer forms were made available. Very few taken.

Review PLC minutes from June 10th meeting

- Pat Rother is the new PLC chair.
- It is very important for our PLC rep to make sure the necessary commissions make the connection with what we are reporting.

Jay provided updates on:

- **Hymnals:**
 - No feedback has been received – pros or cons.
 - A more permanent option will be made available in the near future.
- **Lighting Project:**
 - The plan is finished. Key components are needed before it can be presented to parishioners.
 - Projected start and finish times have not yet been set.
 - For cost saving purposes (Excel, cost of materials), it is important the project is started/finished in a timely manner.
- **The new ministry scheduler:**
 - Going great. For example: For Labor Day Mass, every position was filled in advance. Prior to the new system, we would be making calls to get the positions filled.
 - The schedule is on the website, which makes it convenient for everyone to see.
 - Saves hours of time that was spent making the schedules.
 - Reminders can be sent – fewer no-shows.

For our next meeting on October 21:

- Read the Preface and Chapter 1 of Musicam Sacrum for discussion. <http://ow.ly/SxpHE>
- Bring your top 2 goals you would like the Worship Commission to achieve this year. Please make sure your goals are specific and achievable. Please be prepared to provide a timeline.
- Come up with specific ideas for the use of FallFest Funds for next year.
