From the Pastoral Care Coordinator: Mary Kohlhaas

What's Your Passion?

This year is the 100th Anniversary of World Mission Sunday. It is sponsored by the oldest of the four Pontifical Missions, The Society of the Propagation of the Faith, founded over 200 years ago by **Blessed Pauline Jaricot**. She was a wealthy young woman who lived in 19th-century France and was living the life of a debutante, only concerned with new dresses and society. She heard a sermon that changed her heart, and she realized the waste her life was becoming. She remembered her childhood dreams of being a missionary to China. Women could not be missionaries at that time, so she organized her father's factory workers into small groups to pray and financially support missions. That grew very quickly and later became **the Society for the Propagation of the Faith,** which is now a global effort for missions everywhere.

You may have heard **Archbishop Fulton Sheen** is now *Blessed* Fulton Sheen? On September 24, he was made Blessed, the second of three steps to full sainthood. He has a connection to World Mission Sunday as well, since he was the director of the Society from 1950-1966. He loved the work, traveled much of the world, and raised millions for the missions. He gave the royalties from his many books to the poor diocese of Birmingham, AL, where eventually, many years later, **Mother Angelica** founded EWTN (Eternal Word Television Network), now a powerhouse of Catholic information.

St. John's parishioner **Naomi Hard** first visited Liberia in 2005; she returned in 2011 to begin to develop the physical structures to entice others to come to the Christian and Catholic Churches. Her goal is to bring 6000+ people to come to know, love, and serve God. She has worked with the people in establishing the parish community, helping to build the church, the school, a community building with a library, and furnishing what was needed. She still continues today with **Building Bridges Liberia**. Please support her efforts.

In 2002, **Magnus McFarlane-Barrow,** after years of bringing supplies to war-torn and mission areas all over Europe and Africa, Magnus had built a network of missionaries and aid workers. All of that experience sifted down to a simple answer to world hunger: one good meal a day in a place of education. **Mary's Meals** now feeds over 3 million children a day at a cost of just $25.20 to feed a child for an entire year! We are looking to feed the next child; will you help?

So, what is *YOUR* passion? How can God use your gifts, experience, skills, personality, and *passion* to change the world? And it's no secret - the world needs changing! We all see that, but what can one person do, right? Well, I've listed several above. Ask the Lord what He would have YOU do.

First of all, who's your audience? Understand that EVERYTHING outside this church is mission territory – and sometimes, INSIDE this church is mission territory! We all need deeper conversion every day, to grow in holiness every day, to be challenged every day. So, if you are a disciple of Jesus Christ, what is your passion, your mission, and how can you spend it for His glory? Missions can include any work that brings Christ's light into a corner of the world.

Research, pray, and act! Some suggestions: **human trafficking** - check out the Tim Tebow Foundation or Sound of Freedom Foundation; **protecting the unborn** - Respect Life Team, March for Life, Women's Life Care Center, MCCL, Prolife Action Ministries, political involvement; **serving those in need** - Sharing & Caring Hands, St. Vincent de Paul, Angel Tree, hospitality, childcare; **evangelization** - OCIA, Extraordinary Ministers, volunteer catechists, small group leaders; What can you do to impact the world for Jesus? Start as one person and do one thing; it will grow.

In Christ,

Mary Kohlhaas

FallFest 2026 Financial Report

As you can see from the table above, we had a very successful FallFest! We made the second most money ever this year despite the rain on Saturday.

A portion ($80,000) of our proceeds will help to support our ministries through our operating budget. The balance will go to our capital reserves to support the maintenance and improvements of our campus.

We could not have done this without the dozens of volunteers and staff who worked not only that weekend, but for the months prior to make the festival so great.

We say thank you to all who contributed to the success of our 2026 FallFest!
