New members for 2018-2019

Jill and Rose Ann are completing two terms this year. Corey will step down if replacement is found.

Automatic door openers – worship space and bathrooms

Email was received by a parishioner who had difficulty opening the door to the sanctuary and bathroom. Information will be given to the ASC commission.

We are buying hosts from a new supplier.

Health emergencies at Triduum services, Sunday pm week after Easter

Should we put something in the bulletin asking those that have medical experience to check in with the ushers before Mass so we know who is available, if anyone? The purpose would be to let us know who they are, we could then give them information about what medical supplies we have available and give them an opportunity to introduce themselves to each other so everyone knows who is who and what skills they have. That way if there is an emergency they don't have to figure that out on the fly. Corey and Michael will put something together for review.
