Usher/safety training update –

- Formed the Usher Vanguard – usher leadership team. All new incoming ushers will have training. Hope to have all ushers trained by 2018.
- Looking for direction from parish as to what is expected of the ushers regarding security/medical emergency procedures/protocol. Liability. Business Administrator will be contacted.

50th Anniversary Celebration of Church Dedication

Jay will present info to the Leadership Team. Hoping by our October meeting we will have some direction from the Leadership Team.

Good “Worship” Question

Jill will submit to Pat approx. 10 questions/answers for the committee to approve for bulletin submission.

Windows – East and West Ambulatory and South Sanctuary

Motion: It is the recommendation of the Worship Commission to replace the east ambulatory windows and frames, west ambulatory windows and frames, south sanctuary windows and frames in the interest of life safety and liability, before winter when more difficult to replace and cost effectiveness. Until replaced recommend physical inspection to take place on a weekly basis.

Update: Windows have been/are being addressed at the ASC and Finance Commission meetings.
