

Winter Scripture 2019

The 3 letters of Johannine & Book of Hebrews (11 sessions)

Among the books of the New Testament, the Letter to the Hebrews stands out for its rhetorical and theological brilliance. It is arguably the greatest Christian sermon ever preached or written. Its author deserves to be revered as the patron saint of preachers. He has presented the essential claim of Christian faith that Christ died for our sins in a persuasive argument with a deep emotional appeal. One way to introduce this book is to describe Hebrews as a sermon in written form, of uncertain origin, intended to encourage perseverance in Christian faith. The author describes his work as a "message of encouragement.
