## Agenda Items

1. Commission opened the meeting with a Prayer.
2. Welcomed new Commission member Tom Domini who was very enthusiastic to accept his role and responsibilities
3. The November 19, 2019 Parish Administrator's report was reviewed. Reviewed October PGAC & PLC Minutes.
4. Marianne provided an update on the success of the Turkey Dinner and led a discussion on ways to improve next year's Dinner by advertising and recruiting earlier, increasing signage and possibly shortening the time frame. Preliminary figures indicate a profit of around \$2500.
5. Open Items:
  - Liaison assignments were accepted for these open / vacated positions: Glenda accepted Gardeners and Plant Care Volunteers. Tom accepted Men's Fellowship, the Primetimers and the Vocations Ministry.
  - Assignment List is now fully staffed with the possible exception of the SJB Connect groups while we wait for a determination if it actually needs representation.
  - Core Values for our Parish were discussed at length with every member contributing responses. We were unanimous regarding the positive direction Father Paul and Father Magner have lead our Parish. Their willingness to grow, to be open and inviting, to inspire us to evangelize (GMT), to be generous with our time and money including Outreach programs, and to improve our reliance on Prayer and the positive effects all these activities will have for us and for SJB.
6. Old Business: Progress update on our Goals for 2019-2020. Discuss progress we each have reaching out to our contacts and inviting them to join one of our meetings. Reminder: Next month's meeting is on **December 10, 2019**
7. Closing Prayer: Prayer of St. Thomas Aquinas

Maria Larson, Notetaker (Thank You!)
