**Bearing witness to Jesus Christ who is the Way, the Truth and the Life: GO. MAKE. TEACH.**

## New Business

**2020-2021 Chair: Pat; Vice Chair: Jeff; PLC Rep: James (needs Virtus training)  
Worship Commission Liaison – Lee; Recorder – Needed**

**Recruiting new members for 2020-2021:** 2 members are needed

Barb and Corey have agreed to stay on until December.

The question came up and will be brought to PLC: Can members rolling off from other commissions join a new commission?

Ways to get new recruits:

Network at church picnic or other events.

Advertise in the bulletin.

Personally ask those you think would be a good fit.

## Review 2020-2021 Commission goals and accomplishments

Positive feedback for the new spreadsheet – a great way to grow collaboration.

It is important to see the whole picture/ what other commissions are working on and what their goals are.

Worship Commission priorities need to be set.

The Liturgical Experience goal needs to be more specific. Pat and Lee will work on this.

Goals and Accomplishments worksheet will be presented to Worship Commission members for approval and distributed to PLC leadership.

## Sound System/Ceiling/Refinishing the Pews Status

Sound System and Ceiling projects on hold. Food for thought: Now may be the time for the ceiling project due to low attendance (COVID-19). Ceiling project needs to be done before the organ and sound system due to falling debris.

Refinishing the pews – now is not the time to invest due to the additional cleaning needed (COVID-19).

**Safety and Security** – Task force being assembled. Look at having cameras on campus (inside and outside)

## CORE VALUES:

Reliance on Prayer

Willingness to Grow

Generous Spirit
