## *From the Pastor: Father Paul Shovelain*

Restoring is happening! Have you noticed it? Have you felt it? Christ is restoring us to life here at St. John the Baptist Catholic Church and School. We had a fantastic FallFest in September and people came out in great numbers. It was beautiful to see relationships being restored and people coming out and getting to know each other. We also saw a good response to the invitation to willingness to grow. Not only is our school growing, but our

Faith Formation program has more students enrolled this year than we did 2 years ago. It is beautiful to see families coming together to be restored to life in Christ. We also had a strong response to be willing to grow and helping our parish and diocese grow by participating in the Synod process. We have over 150 parishioners participating in these sessions, and I have enjoyed listening to our parishioners and hearing about their experience of Christ and ideas for what we can do to share His message.

Restoring is happening as we rely on prayer. Not only does our trend of having many funerals in 2021 continue, but also many baptisms. Through our ministry, people are being restored to eternal life and to the state of sanctifying grace here on Earth. We had a great response to praying for the unborn through spiritual adoption. We also have several people respond to the invitation to help others encounter Christ by helping us with our liturgies. Not to mention, received 21 responses for Adoration which is a wonderful testament to how we are relying on prayer here at St. Johns. We want to help people encounter Christ here, and we can do that by being faithful to God in the celebration of the Sacraments and creating a warm and welcoming environment. Restoring is happening through our devotions, and Christ is continuing to share His mercy and love through those powerful prayers.

This weekend we are focused on being restored through the Sacraments. Through sin, we have caused division in our world between God and humans, between humans and within ourselves. The sanctifying grace that comes through the Sacraments helps restore unity, as it breaks down the barriers that we institute. Utilize the grace of the Sacraments often. Whether it's daily celebration of the Eucharist or monthly celebration of Reconciliation, God will restore you there.

Next weekend we will focus on being restored through the Sacred Scriptures. The Bible is not a book that we should be afraid of, but we should be attracted to, as it gives us wisdom and understanding. By living in accord with God's Word we are able to live life to the full. By relying on prayer through meditating on the Good News of Jesus Christ, you will be restored to life in abundance.

In the month of November, we will transition to being restored by living out of a generous spirit. The weekend of November 6<sup>th</sup> and 7<sup>th</sup>, we will focus on living out of a generous spirit by volunteering for our many service-orientated ministries. I am so grateful to the Knights of Columbus, Council of Catholic Women, Food Shelf Volunteers, St. Vincent De Paul Society and those who serve in sharing the love of Christ through service. We will also be having a turkey dinner that Sunday and many volunteers will serve in making this great community event possible. The weekend of November 13<sup>th</sup> and 14<sup>th</sup>, we will focus on living out of a generous spirit by supporting the parish financially. With your help, we are able to let the light of Christ shine in New Brighton and beyond. Together as a community, centered on Christ, we are able to bring hope to the hopeless and comfort to those in need. Thank you for your commitment to live out of a generous spirit. The weekend of November 21<sup>st</sup> and 22<sup>nd</sup> is Christ the King Sunday. That weekend, as a parish, we will recommit to living out the core values as we seek to be restored and bring that restoration to the world. The Lord is already working powerfully and wants to work even more powerfully.

*As the Father loves me, so I also love you!*

*Father Paul Shovelain*

## Introducing Katie Coughlin and Alice Schwantes, Natural Family Planning Practitioners!

Saint John the Baptist welcomes two new resources to the parish. Katie and Alice are each trained to teach women and couples how to track fertility using Natural Family Planning (NFP).

NFP is the natural and scientific way of observing a woman's signs of fertility in order to achieve and avoid a pregnancy. It teaches that fertility and sexuality are gifts that are to be appreciated instead of being suppressed. Additionally, it is an acceptable method of family planning according to church teaching.

NFP can also assist women in uncovering the underlying causes of premenstrual syndrome (PMS), pelvic pain caused by endometriosis, repeat miscarriages, and infertility. With the use of natural, cooperative healthcare, women can often find relief and answers.

NFP is easy to learn with the help of these skilled practitioners. Contact us for more information. Katie is trained in SymptoPro, and Alice is trained in the Creighton Model System.

See website for more details (under the marriage enrichment page).

- Culver's Restaurant, who donated all of the frozen custard and toppings sold by the Respect Life booth.
- Amy Wakem, State Farm Insurance, Fun Run sponsor – (651) 636-8337 - Amy's name and phone were inadvertently missed when Fun Run t-shirts were printed.

You brought the light of Christ to New Brighton and beyond! Thank you!

**Thank you to all who supported our 2021 FallFest!**

## FallFest 2021 Financial Report

As you can see in the table above, our financial results from this year's festival were nothing short of amazing! These results are preliminary, because some expenses are still based on estimates. However, we anticipate that the actual results will not differ substantially from what you see here.

Our festival net overall is up 12% (\$10,000) over 2020! Wow! In previous bulletins we thanked the many volunteers, staff and sponsors who made this festival so successful. Again, we say thank you to all who contributed to the success of our 2021 FallFest, which was a great occasion for our parish community to be Restored to Life!

A portion (\$30,000) of our festival proceeds will support all of our ministries through our operating budget. The balance will go to our capital reserves to support restoring our campus and its infrastructure, which supports our parish being restored to life this year as well.

We were blessed with good weather, amazing volunteers and a powerful SJB community spirit that one could feel at the festival. We are grateful to God for the many ways He is restoring us to life at St. John's this year, including at our parish festival!

Thank you all for your commitment to our core values of a reliance on prayer, a willingness to grow, and a generous spirit. These values, as demonstrated by our parish leaders and so many who celebrated our life together at our festival, are what made it such a success. Thank you!
