

Funeral Luncheons at St. John's

Our funeral luncheon committee can provide dessert, beverages, and all paper products. They will also set up, serve, and clean up. *The family needs to provide the main course, which must come from a licensed caterer or from a deli.* Listed are a few local delis and caterers; the family is welcome to use any of these suggestions but may choose a different licensed caterer or deli.

Here are a few options:
