From the Pastor: Father Paul Shovelain

*“Blessed is the king who comes in the name of the Lord.
Peace in heaven and glory in the highest.”*

~ Luke 19:38

Holy, Holy, Holy! In Hebrew they did not have a word for holiest, rather they would repeat the word three times to communicate the superlative. Today, the people of Jerusalem point out that Jesus is the holiest! They welcome him with open arms as he enters their city. They are hopeful for a new Exodus, that he will lead them to better times. As we enter into the Holy, Holy, Holy (holiest) week of the year, Christ journeys with us. It is an opportunity for us to develop greater holiness in our lives. We do that through our reliance on prayer throughout this week. If you have never attended the Triduum liturgies; I invite you to do so. It will truly be an opportunity for you to grow in your relationship with the Lord as we reflect deeply on the life, death and resurrection of Christ. Check out the schedule for Holy Week found on the cover of the bulletin and join us for this powerful week!

My favorite parts of Holy Week include celebrating the Eucharist on Holy Thursday as we participate in the Last Supper of Christ. I also love the veneration of the Cross on Good Friday. We offer a unique and engaging service called Tenebrae on Friday night and it powerfully reflects on the death of Christ. I love the Easter vigil as the Church is lit by the light of candles at the beginning of the Mass. Come experience all these powerful liturgies yourselves and be drawn into deeper union with God himself.

Sabbatical Conclusion

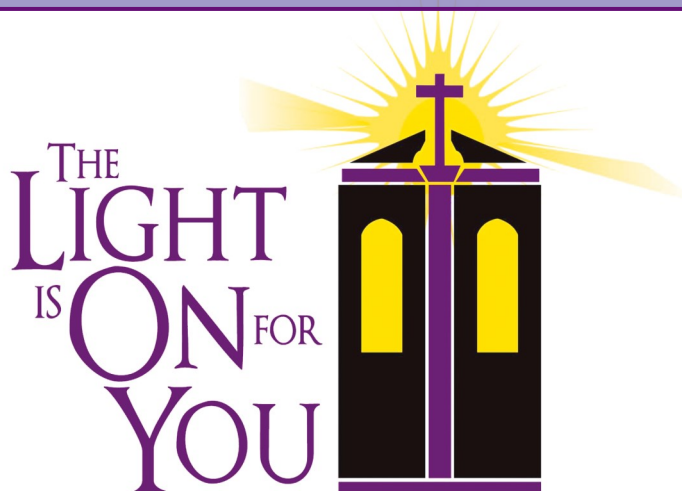

For the last few weeks of my sabbatical, I studied Eschatology, that is the study of the last things, i.e. death, judgment, heaven and hell. It was very moving as I never had the opportunity to study that in seminary. One take away is the importance of praying for the Poor Souls in Purgatory. Once they get to heaven they will pray that you make it there, so it's a win win! I also read the book titled Jesus and the Jewish Roots of the Eucharist. I watched the video series on Formed earlier in my sabbatical and this deepened my appreciation of the Mass and I look forward to sharing insights from the book with you. I also spent a week in Arizona with my parents which was a blessing. We celebrated Mass in the Chapel of the Holy Cross in Sedona which was built on the beautiful red rocks there. We saw some relatives down there as well as my godson. I also did a little fishing which was fun and unusual as my pictures with fish have cactus in the background! I spent the last week at the seminary as I finished up my reading and online studies.

I am grateful to Fr. Jaspers, Fr. Ebert, and Fr. Backmann for continuing to guide you these past three months. I am grateful as well to the staff and many volunteers who have continued to live out of generous spirit as they build up the kingdom of God in New Brighton and beyond.

As the Father loves me, so I also love you!

Father Paul Shovelain

Spiritual Adoption Update

Your spiritually adopted baby is now in the seventh month. Beginning this month the baby uses all four senses. Eyelids open and close and the eyes look around. The baby can taste, touch, cough, yawn, and hiccup. He or she now recognizes his or her mother's voice. His or her grip is even stronger now than it will be after birth. The hair on the head is growing longer and the downy covering the rest of the body is disappearing. During this time, the baby will receive antibodies from his or her mother providing immunity to a wide variety of diseases. View your baby's growth and development at the Spiritual Adoption Table in the St. Paul Plaza.

Did you know....

Until 1951, three kettles of Booya were served to the public. In 1954, the number was increased to five kettles, and by 1966, nine kettles were prepared. The kettles were made by the Prospect Foundry in northeast Minneapolis founded by parishioner Bob Sitarz's grandfather who made the first three kettles. Bob's father made the next three kettles and Bob Sitarz made the last three of the nine kettles that are still used today.
