## Saint John the Baptist – Pastoral Outreach Commission Monthly Meeting Agenda / Minutes

5. Young at Heart
6. Widows/Widowers

POC has become more pro-active, we're going out and we are more engaging the Ministries. It is important that the Ministry see that we care about what they're doing, that we're advocating for them, we are seeing them, asking what they need for help. Also, the community was made aware of what help, and support are available to them with the posting articles on the Bulletin and the liaison's awareness campaign like going to the neighborhood.

### iii. Generous Spirit

1. Able Fix-It
2. Community Support Center- SJB has been supporting it financially.
3. SJB Kidz Closet – the Closet was closed for a while and now they're just opening it again then shifted it from Maternity Closet to Kidz Closet
4. Meals on Wheels
5. SJB Missions- Naomi had her annual visit to Liberia this March 2022 and had great response from the people.
6. Food Shelf was on hold for a while then they did the touch-less way of distributing food to the needy, now they have people coming in and so they kind of move with the time.
7. Quilters made more than 40 blankets for Sharing & Caring Hands and other individual recipients.
8. St. Vincent de Paul sponsors donation drives such as the winter socks campaign, food campaign, the Simpson Home Meals & did individual works of mercy by each tireless member.
9. Compassion Connect Clinic- served the community needing medical & dental care, etc.

### D. Updates: Pastoral Outreach Ministries – as of May 17, 2022

	<p><a href="mailto:ClaudiaMcKeown@MN.mediaone.net">ClaudiaMcKeown@MN.mediaone.net</a> 612-485-0846</p>	<p>Mary: this is the first time that this has happened that they have assigned a liaison to each of this groups, so part of it could be that Claudia does not know.</p> <p>Deacon Gary: They don't have a regular meeting. Branch 3 is part of the Catholic Charities, preparing &amp; serving meals. There might be some other outreach and other support that they give. It used to be volunteers of people that would go once a month to help with meal prep and serve it, but not know if that is still what it entails. Touching base on any of these things post covid, is a good idea because we don't know what kind of interruptions happened and whether things are back on tract. Sometimes you also have lots of volunteers drop off too and so where we would come in and help facilitate the situations.</p> <p>Mary will try to get hold of her too. She thinks there should be a post covid report. The question is do we still want to be giving them money. If we don't know what they're doing, we can't.</p> <p>Jane: They're part of <a href="#">Catholic Charities</a>, do we, SJB give money directly to Branch 3 or part of this since we give money to Catholic Charities and that they're under us?</p> <p>Mary: We give money for the meal that's made. We do one meal and SJB gives the money a month.</p> <p>Jane: Is this the one we're talking about where they changed the vendors, and the chopping of the price went way up?</p> <p>Deacon Gary: Yes. we paid flat \$400 per month. And there used to be a second party to hoist the quality of food and efficiently spend the money. But sometimes they have too higher a quality of food than what they needed and did not get as much for their money. Now the person at the Catholic Charities we work directly with, gets the money and buys the food himself. The funds are being used much more efficiently now than before. It became a lot better these last couple of years.</p> <p>With the post covid update, hopefully, that has not interrupted it, we'll see. Just try to connect to each other.</p>
<p><b>Caregivers Support Group</b> Liaison: Socchie Meeting: 1st Tues. of the month</p>	<p>TBA</p>	<p>Mary: Held the 2nd monthly meeting last Tuesday, May 3 around an hour and a half to 2 hours. The first time they met, there were 3 people, this second time there were totally 3 different people. It is interesting how God has pulled it together, the second group that came were all taking care of two people a piece. So, here's the overworked people and they're there with the other people who would get their averages is really beautiful. Each one of them is dealing with a child and their spouse and so that was some tough stories. Mary is learning a lot just being around. She found that with Caregivers, all she have to do is to set the scene and be hospitable and they just need to talk to each other, to people who get it, and learn from each other. She does not know if and when there's a regular group to meet but now the people who want to be there can come and they're going to continue till summer.</p> <p>Jane: Is it like a support group where one can come and talk?</p>

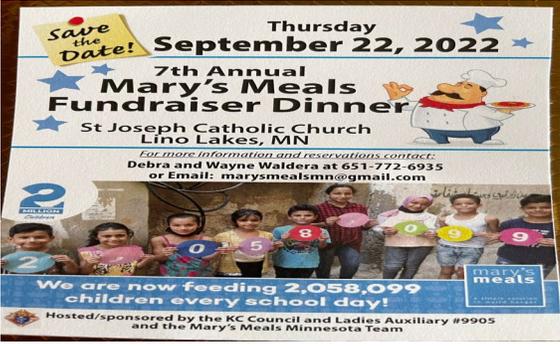

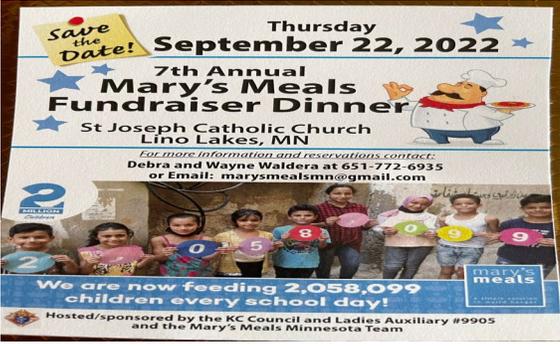

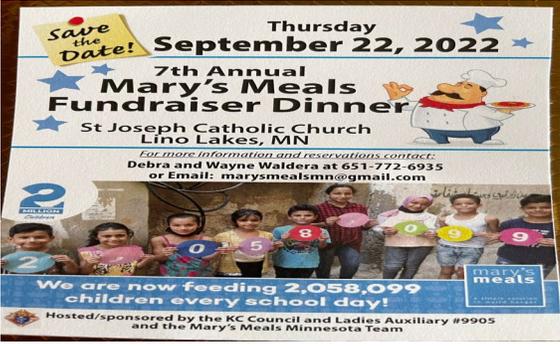

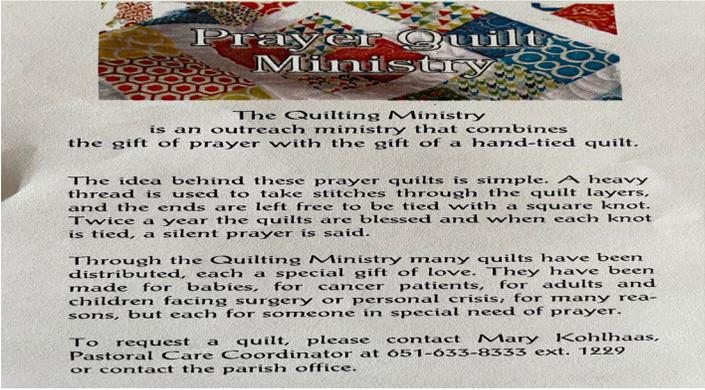

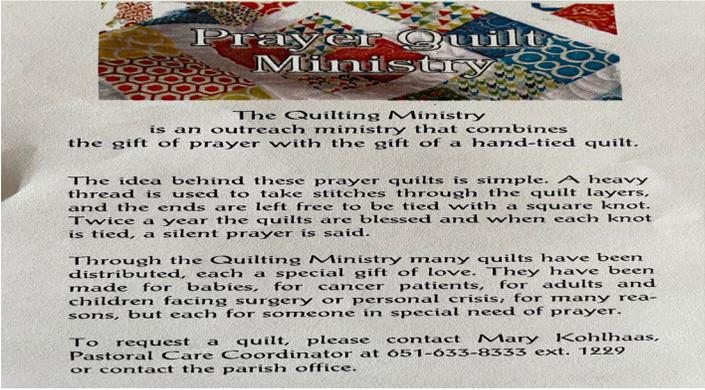

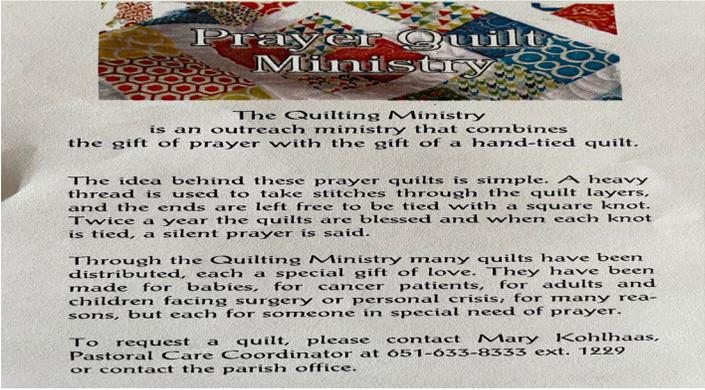

**Saint John the Baptist –  
Pastoral Outreach Commission  
Monthly Meeting Agenda / Minutes**

		Mary: Yes. Somebody who had some experience can share with someone who is just coming to it. It's great to watch what happens
<b>Community Support Center</b> Liaison:	Deacon Gary	<p>Deacon Gary: SJB is one of the 12 founding churches that started Community Support Center. We give them \$3500 annually to help families basically to avoid homelessness. This provides them a lot of help for their needs in terms of financial help in supplying some foods, etc. It's a well-organized and effective Ministry. Matthew Goggin and Bill Spitzmueller came to our Commission few years ago and talk about it. They're still in-charge of the interaction with the people in the Ministry to keep the payment in annual basis in fall. Deacon Gary gave a recap to Mary who sent it out. The intention was to put that into a vote to continue doing it. Upon approval he will let Michelle Chock know. She'd write up to Deacon Gary few months back because again, she does not want to rubber stamp \$3500 going out every year without checking in. So, he'd done that, followed up--The amount agreed upon by them and the organization is well spoken of.</p> <p>Mary: Do we have a group here that connects to them or do couple of our representatives do that?</p> <p>Louie: it's with St. Vincent de Paul. They talk about it at the last meeting. Bill reports updates on CSC, so it's on-going.</p> <p>Deacon Gary suggested that the recommendation for POC's approval of the continuous payment of \$3500 was put into a vote. Jane made the motion to recommend POC's approval, Heidi seconded and was approved by POC.</p> <p><b>ACTION ITEM:</b> 5/17- POC to recommend to PLC for approval to continue the \$3500 yearly payment due each October.</p>
<b>EUCHARISTIC MINISTRY</b> Liaison: Mary <a href="mailto:kohlhaasm@stjohnnyb.org">kohlhaasm@stjohnnyb.org</a> 763-242-4229 c763-242-4229 c		
<ol style="list-style-type: none"> <li>1. <b>EM Homebound</b></li> <li>2. <b>EM Hospitals</b></li> <li>3. <b>EM Nursing Homes</b></li> </ol>		<p>Mary: Eucharistic distribution is on-going, and Mary is working with volunteers to get them trained and ready to meet them with a homebound parishioner or a senior living situation so that everyone is covered for sacraments.</p> <p>Deacon John goes with couple of other people to the Hospitals</p> <p>Each Senior Living and Nursing Homes that we're dealing with like St. Anthony's, the New Brighton Care Center have their own teams that go to those. Father Paul covers Mass at 4-5 different places. Two other Churches had taken on a couple of places that we have. When we have only one priest, they are willing to take over and cover some of those for us. At this point we're not taking those back yet. We're hoping that since they're actually in their province they would just keep those. One of them is Roseville and the other is St. Charles Borromeo. And we are in the process of picking up the Villa, maybe doing it quarterly.</p>

It was good because month before they just sat there.</p> <p>Deacon Gary added that it must have something to do with the lifting of the restrictions. People get the message and are more comfortable coming.</p>

She listened to the speaker who was very good! All kinds of people, all kinds of grief, everyone at different places. It seems to be well run, allowing people to be where they are in the process. She was very impressed.</p> <p>There’re over 45 participants on April 21. For each of the session there’s always a handful of newcomers (though numbers of the old registrants vary every Thursday for the last 4 sessions. This is a Summer GTL Program (for those who lost their spouses, parents, siblings, children, in transition from losing jobs, on divorce or separation, moving to new homes, support for addiction and as suicide survivors) on September 15, 2022. Speakers and facilitators are rotated between the two semi-annual events.</p>

It’s been in the Bulletin.</p> <p>Heid suggested to post this Kidz Clothing Donation Drive in the New Brighton facebook page and Joni will follow-up with Jacquie this suggestion.</p> <p>The promotional leaflet for availability of kids clothing for those in need is out for distribution and will be on the Harvest table.</p>

<p><b>SJB Missions</b> Liaison: Jane</p>		<p>We talked about last meeting, and since Jane is transitioning from the Commission now, she’s updated all paperwork now to take-off her name and put in the Coordinator of Pastoral Ministry and the contact info. She also removed “foreign” missions, since then to include all outreaches, foreign or not.</p> <p>She proposes to bring the updated paperwork to the next meeting for everybody. So, all will have a chance for peer-review and look over next time we meet. It should be the last thing she needs to do before she leaves the POC.</p>

<p><b>Widows/Widowers Group (W/WG)</b> Liaison: Mary Kohlhaas Meetings: 2nd Monday of the month (11:30am-1:30pm)</p>	TBA	<p>Have been meeting 4 or 5 months now. There has been some people who had been consistent; could be as few as 3-4 people or as many as 14. It just depends as who gets the word, who can come and who remembers. This is an important Ministry because people need to join other people who-“get” where they’re at. Met at Perkins for lunch Monday, May 9. Three showed up, all had been before. The discussion was good in that we talked about funerals and experiences with losing a spouse and got deeper than usual. I think that it was a good sign. ** Mary is wondering when is the right time to invite a widow or widower to the group? Will she leave it to the ads in the Bulletin, etc.? Will she send out an invite after 6 months or a year? She knows the Grief Ministry sends a card at the year mark. Her office sends an invitation to the All Souls Day Mass for anyone who has lost someone this year. Any ideas??</p> <p>They individually come in different phases.</p> <p>There’s a lot of widows and widowers out there than are showing up</p> <p>Question: Do you know how the current numbers came to the group? Do they see the ads or that friends bring them? Answer: Both.</p> <p>Suggestion: Maybe ask those attending when they will be ready to hear about it? ‘We’re here for you. Do you want us to follow-up with you?’</p> <p>More discussion: That’s been done a little bit at funeral intakes, not every time, but when they seemed kind of open to hear it, we just tell them we need your address because in a year we’re going to send out a card to invite you to the Mass for All Souls Day. But then beyond that, this is what we have.</p> <p>More times than that, they’re still kind of in various stages of shock, and so in making that comment, even if it sounds comforting, they don’t remember it. Sometimes they do, but most times they don’t, so they must get out of this deep grieving with their thinking pre-occupied, before they can even consider it.</p> <p>Announcement on the Archdiocesan website- Archdiocese is doing a Widow’s Day of Reflection on June 18<sup>th</sup> in Our Lady of Grace, Edina. Fr. Michael Becker is the Speaker. Flyers will be on the Harvest table.</p>

<p><b>Compassion Connect Clinic</b> Liaison: Mary Kohlhaas</p>		<p>Most all the rest of my time has been spent casting a net for volunteers for the clinic and following up on responses. Father Paul suggested an announcement this weekend and it brought in more volunteers too, so it's going well! They still need two to three more connectors- shepherds to guide the guests, handpicked for their ability to meet people, make them comfortable, build a relationship and prayer with them if they find an opportunity to do so. A chance to evangelize. Any suggestion? They are accepting new or gently used children's books to give away at the clinic. Date: Saturday, June 11 at 9am-4pm, in Highview Middle School. Friday, May 13- start of volunteer's registration Flyers are out on the Harvest table for pick-up and distribution.</p>

Only a few there this time, but they allowed to share info on our SJB Kidz Closet, the Emergency Food Shelf and the Quilt Ministry. They are Ministries that others may not have in their churches, but they could send those in need to us. They were very appreciative. And they also learned about a new staff person at City Hall as DEI (Diversity-Equity+Inclusion) position. He is all about connecting people, so everyone feels part of the community.</p>
