Pastoral Letter Conclusion and Implementation Plans

When I first read the Pastoral Letter, I was tempted to just go to the end to get the marching orders. However, it is important to read how we get there, as that provides greater insight into the motivation of what we are asked to do. Ultimately, Archbishop Hebda is calling us forth to be witnesses to the world and his vision laid out in the last section. It lays out the three priorities in some depth but also gives some flexibility into how they will take shape. In addition to this section, there is another document titled ‘Year 1 Implementation Plan’ which lays out roles and responsibilities.

In March, the staff of the church and school gathered to reflect on the document as well as present ideas on how we can move forward together. It was wonderful to hear staff ideas about how we can prioritize small groups to further strengthen our parish as a whole. We already have 240 people in small groups, but we have 1400-1700 people join us for Mass on an average weekend. How do we help more people see the value of participating in a small group? How do we accommodate more small groups when our available space is running out? How do we make our spaces more small group friendly? How do we ensure that the small group leaders have the support and tools they need to run a small group well? These are all important considerations which we will reflect on and plan for.

In addition to that exercise with staff, I will also be spending a day with the Synod Evangelization Team that has just completed the School of Discipleship. We are gathering on April 29 and planning small group ministry for the upcoming year. The team is made of up 10 parishioners and 10 staff members who will plan and help us implement Archbishop Hebda’s vision.

Evangelization for me personally is very important. In my year as Parochial Administrator, we sought to evangelize with our theme of “Inviting In.” Throughout the next year of much division, we sought to evangelize through being “United in the Holy Spirit.” From there we were “Restored to Life” as we revived our vital ministries and brought back more in person ministry. Now we have been and are being Called Forth to take the next step on the journey of faith. Through it all, I know the Lord is guiding us to become more fully His witnesses. I invite you to read the letter and Year 1 Implementation Plan. Pictured below are a couple photos from the staff day. The banners were made during small group discussions and the staff groups used them when they presented on the letter.

As the Father loves me, so I also love you!

Purgatory: The Secret Revelations of St. Padre Pio

Who knows what lies beyond the grave? Explore evidence from both the science surrounding near death experiences and the mystical revelations of saints like St. Stanislaus Papczynski (1631-1701), St. Faustina Kowalska (1905-1938), and St. Padre Pio (1887-1968) on the afterlife. Mixing expert testimony with dramatizations, explore the reality of Heaven, Hell, and Purgatory. This powerful film invites us to become aware of the survival of the soul, the presence of our departed loved ones, and how often they need our prayers.

Come for the donuts, stay for the truth!

St. Vincent de Paul

Month after month our parish receives calls from families and individuals who are in financial distress over rent payments (shelter), food, clothing, or furnishing needs (often mattresses and beds). Our St. Vincent de Paul chapter here at St. John's often is called upon to sort out how best to aid these people in need. Our ability to help stop an eviction, or provide food assistance and warm clothes, or secure decent bedding for young children hinges on the donations from our St. John the Baptist parish members.

This coming Holy Thursday's collection is one of the two times each year our St. Vincent de Paul group is the beneficiary of the money collected at Mass. Over the years, St. Vincent de Paul has distributed thousands of dollars to the needy in our parish and in the surrounding community.

Thank you for your generous financial support over all these years that allow us to carry out Jesus' call to take care of the poor and needy among us.

Our Fascinating Faith

The Sacred Paschal Triduum

Christians observe Easter on the first Sunday after the first full moon that follows the vernal equinox. For Christians, Easter is the anniversary of the creation of the world.

Did you know that the full moon rises just as the sun sets? And that it sets when the sun rises? On the night of a full moon there is no moment of the night when the moon isn't shining. Christians think that this phenomenon makes a wonderful image of heaven's perpetual light. Easter is our sacramental entrance into the light of Christ, the light of eternity.

The Sacred Paschal Triduum, the three-day Passover of the Lord, is our Easter festival. It begins on Holy Thursday at sunset. We count the days in the Jewish manner, from sunset to sunset. In this way the Triduum begins on the biblical "sixth day of the week," the day God created human beings. Its middle day is the "seventh day of the week," the Sabbath, the day of rest. And its final day is the "first day of the week," the day God began the work of creation by creating light and separating it from darkness. God the Father chose a "first day" to raise his Son from the dead. God the Spirit gave birth to the Church on a "first day" as well, the day of Pentecost.
