From the Pastor: Father Paul Shovelain

As a disciple of Christ, we need a willingness to grow, that is, a willingness to be called forth by the Lord on our journey of faith. This past year it has been inspiring to see so many parishioners called forth on their own journey of faith. As a result of their willingness to grow, they have become closer to the Lord. This growth strengthens and enlivens them and is a blessing to others.

As a parish, we desire to grow and be more effective in building up the kingdom of God in New Brighton and beyond. Hence, we rolled out a survey on May 2nd and received nearly 900 responses. Through the survey we received valuable feedback. We are analyzing the results and discerning how to better serve you. Here is a brief analysis:

Highlights (positive strengths)

- Overwhelmingly high number of responses (897) & significant majority of comments were positive
- 95%+: High marks for safety, cleanliness, and ability to navigate the campus
- 92%+: Homilies are of good quality, allow for growth in faith, and deepen teachings of the Catholic Church
- 90%+: Warm and welcoming parish that fosters a sense of community and belonging
- 90%+: Music matters within Mass experience
- 80%+: Prefer email correspondence
- 70%+: Respondents attend SJB weekly

Opportunities (areas for growth)

- Acoustics and sound system – improvement recommended to enhance the homily, music & overall experience.
- Church ceiling – attention needed to address the condition of our ceiling
- **Organ** is generally appreciated by many; opportunity to explore **volume levels** and impact on congregation's participation at Mass
- Opportunity to **explore musical styles**, song choices & length, along with use of **Latin**
- **Homilies** – suggestions included avoiding repetition and being concise; more depth desired
- **Hospitality** – Evaluate mix of hospitality, as currently we have none on Sunday evening; add **healthier options, welcome new members** and **reach out to those sitting alone**

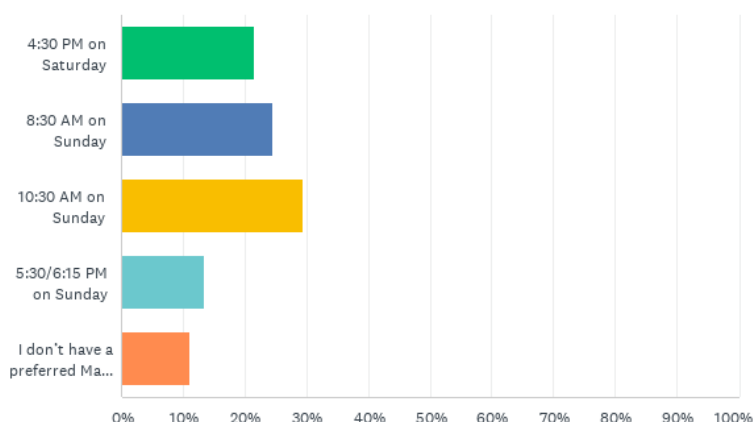

Our staff members are continuing to analyze responses and comments, and are coming up with ideas to grow the kingdom of God by meeting the needs of those who come through our doors. We believe that as we grow through this feedback, SJB will become an even greater blessing to others. Please pray for discernment and that we follow the Holy Spirit's lead as we GO. MAKE. TEACH.

As the Father loves me, so I also love you!

Father Paul Shovelain

Parish-wide Survey Results

Q3 What weekend Mass do you attend most often? (select one)

Comments

"Fr. Paul and Fr. Joseph are excellent homilists! It's amazing they can do it without a paper in front of them--and with passion.
THANK YOU."

"I love the music and the cantors, brings Mass to life and connects us."

"I love the different music at the different Masses."

"My family are not parishioners, but we always feel welcomed and my kids are grateful for the ability to join hospitality after Mass."

"I am thankful for the chance to connect with others in the parish. It contributes to the sense of community and gives a chance for evangelization sometimes as well."

"Keep doing what you're doing."

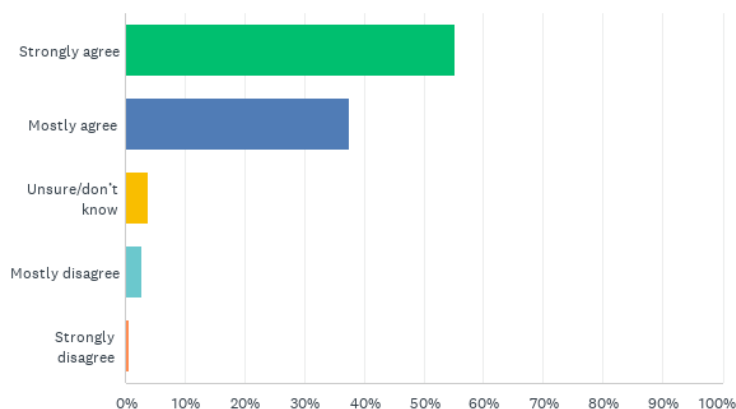

Coming up next...

Starting July 5, we will begin an additional, more comprehensive survey. Our entire parish community will once again be invited to participate. If you didn't get a chance to submit responses for the Weekend Experience Survey, this is your opportunity to join us as we are considering several improvement projects to preserve the infrastructure of our church and to advance the growth in our school.

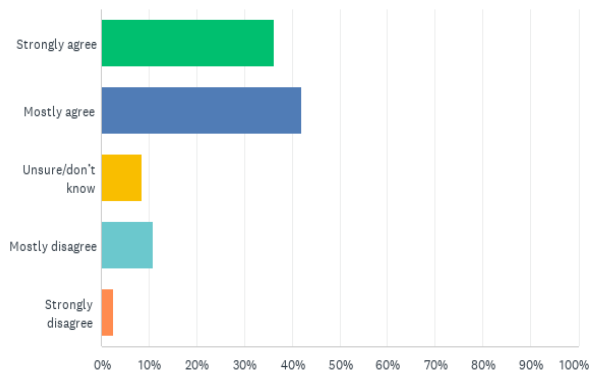

In the coming weeks, we will share more details about the projects, a number of them mentioned by respondents in our recent survey. Your input is vitally important to help us consider the possibility of a fundraising effort to pay for all, or some, of these projects.

In the meantime, if you have any questions or concerns, please direct them to Mary May, Development Associate, at 651-633-8333, ext. 1253. More information will be available soon!

Generous Spirit

Kidz Closet

Many in our community struggle to provide diapers, clothing, and other essentials for their growing families. Parishioners of St. John's have always exceeded in generosity to supply those needs. For the past fourteen years we have welcomed women in need to our Kidz Closet (formerly known as the Maternity/Baby Closet). Your donations of new or gently used, **CLEAN** clothing has provided much-needed help. Clients are allowed to visit once a month and select items from our current inventory.

Presently, we are in need of many items:

- + Summer clothing, especially shorts and tops --
Sizes 3Toddler - 8 years
- + Tennis shoes, flip-flops and sandals
- + Diapers, wipes and pull-ups
- + Socks and underwear
- + We also accept books, small toys, and small baby equipment.

We have donation bins at both main entrances for your convenience.

Open Tuesday mornings, 9:30-11:30, by appointment. Call 800-221-8211 to schedule an appointment or see St. John's website to schedule on-line.

The SJB Kidz Closet is an outreach of St. John's Respect Life Group.

Medical Leftovers?

Do you have any medical leftovers after someone no longer has need of them? It is useful and you don't want to toss it, but you don't need it or want to store it? Bring it in to the Pastoral Ministry Office. We will collect and send it down to Rochester to the Rochester Medical Mission who sorts, packs and sends it on to Haiti.

If in doubt, give Mary a call at 763-242-4229. In the past, our parish has sent four carloads of goods to Rochester for Haiti. Another carload went to Haiti by way of someone traveling there as well. Another carload went to the Ukraine with a family who still had family members there in need. Know that you are helping others around the world so much, and thank you for passing on the goods they need.

The bulletin deadline is 12:00 pm on Thursday, 10 days before the Sunday publication date. Space is limited, so edits may happen. Thanks for understanding.

Lung Cancer - Round Two Update

My brothers and sisters in Christ,

Last August, I started Chemotherapy for recurrent lung cancer. Since there wasn't anything new in chemo drugs, I was given the same cocktail of drugs as the first time around. Unfortunately, there is only so much a body can take of these drugs. It was determined that if they were infused at a very slow rate my body could tolerate them a second time. For this to happen I had to have my infusions as a hospital patient. I ended chemotherapy at the end of December. It was a long five months.

A scan showed that there was still some of the tumor left. In February I started Radiation Therapy to hopefully take care of the rest of it – 33 treatments over 6 weeks. Fortunately, I tolerated chemo and radiation fairly well. I am quite sure it was the power of your prayers and many others who were praying for me that got me through it.

On the last day of radiation, I was diagnosed with Shingles. It was caught early, and I was able to start anti-viral medicine very quickly. That along with my Shingles vaccinations cut the misery time down quite a bit. I have been done with treatment for about 2 months. Shingles lasted about 3 weeks. I have a scan in June that hopefully will show the tumor is gone.

For the most part I feel pretty good. My energy level is very low. As long as I go slow and take a lot of breaks there isn't much I can't do. It will take some time for my energy to come back to where I can return to active ministry.

Thank you for your prayers, cards, phone calls, and good wishes. More than anything they have all helped with my attitude. Whenever I was down, I felt the power of prayer.

Update – Susan Amos Palmer

Last May Susan was diagnosed with NPH (normal pressure hydrocephalus). This has affected her balance and mobility. After much testing it was determined that she could greatly benefit from a procedure that would drain her brain of the excess fluid that is causing her condition.

She finally has a Neurologist that is in tune with what she is going through and we are in the process of setting up the procedure. We have talked with people who have had the procedure and it has made a remarkable difference in their quality of life.

She has had to let go of many of her volunteer jobs which has been very hard on her. Add my cancer to the mix and it is overwhelming. She is a strong woman, and she will get through this.

Please pray for her.

We are anxious to return to ministry at SJB, in whatever direction that takes.

In Christ,
Deacon Rod and Susan Amos Palmer
