Review of PLC Meeting

Financials

Check out the renovated Youth Room

Finances – 12% above budget right now

People are behind in paying school fees- behind \$25,000

Book Fair

Challenging to get volunteers to watch over inflatables. Adults have to stand in the sun, chaotic environment, crowded. Parents just drop off kids as if they were volunteers, are babysitters.

Suggested Solutions for Book Fair:

- Fewer inflatables
- Require parents to accompany children

Other Ideas for Book Fair

- Obstacle course inflatable for older children.
- “Hamster ball”

Other PLC Meeting Information

Permanent Nursing Mothers area will be constructed soon

Request Commissions to assemble hygiene bags for Sharing & Caring Hands (on-going)
