## Merry Christmas!

Merry Christmas! God has come to save us! He has come to rescue us from slavery to sin and reveal to us the path to Heaven! This short season of Advent was filled with grace as God strengthen our parishioners in many ways from the small group ministry, to the Father and Son Advent Retreat with Matt Birk, the beautiful Masses, to the teachings on the Mass, to gathering to sing morning prayer together, to the beautiful celebration of the Immaculate Conception, to the children's Sunday School concert, to our two school concerts, to the Senior Advent Party, to the thousands of confessions, this season has been truly full of grace!

Looking forward to 2024, we will soon celebrate the completion of the Restore to Gather Capital Campaign. We have seen the grace of God unite us and lead us. We will soon see the Holy Spirit restoring our campus as we work together to complete improvements across our campus. Our goal is to make sure the love of God will continue to be encountered for generations to come! The Lord is working and I am grateful to be part of this important time in the life of our parish community.

We are committed to praying for peace in the world and an end to the wars that plague our society. We need the light of Christ to guide us through this darkness and bring humanity to a place of peace. We pray as well for those who are ill or lonely this Christmas season, that the presence of Christ would bring them hope and healing.

As we celebrate the birth of Christ this Christmas, we give thanks to God for the gift of human life among us! We have so many young families and expectant parents. In fact, we had 7 sets of expectant parents at our blessing earlier this month as we celebrated Our Lady of Guadalupe, the Patroness of the Unborn. We also pray for those who have passed on, that they would be born into Eternal Life with Mary and all the Saints of Heaven. Christ came to rescue us here on Earth and lead us into Heaven.

Please be sure to take a copy of Beautiful Eucharist, our Christmas gift to you, for reading and reflection. Inside each book is a special prayer card featuring the beautiful icon of the Blessed Mother that hangs in St. John's Adoration Chapel, Our Lady of Tenderness. Take time during this Christmas season to visit our Adoration Chapel where Jesus waits for you. May His Real Presence in the Eucharist bring you hope and peace as we celebrate His birth and look forward to His many blessings in the New Year!

*As the Father loves me, so I also love you!*

# Restore TO GATHER

A Campaign for Saint John the Baptist  
Catholic Church and School

*Dear St. John the Baptist parishioners and friends,*

Just like the Magi, who traveled far to greet baby Jesus, we too have come a long way and have made progress on completing our campaign journey. Pledges have been very generous, and we have received many encouraging comments about why parishioners and friends are supporting this campaign.

Here are a few examples:

- “We have had so many blessings in the 20 years we have been a part of this community, I want others in the future to experience the same.”
- “We love St. John the Baptist and are excited to support its needs!”
- “My kids attend the school, this is our home.”
- “I’m not a parishioner here, but I really appreciate your welcoming, inspirational church community.”

We are blessed to have a team of dedicated parishioners and expert consultants that are providing valuable input as the scope of these vital projects develops. I wanted to provide you with some updates:

- **THE CEILING** - After consultation with a sound engineering firm and discussion with two general contractors and subcontractors, we are moving towards applying a primer over the current acoustical treatment and then applying a fresh coat of acoustical spray. Technology has greatly improved in sound systems, and we are confident that we will be able to install a high-quality sound system that amplifies music as well as projects the spoken word well. By not scraping the ceiling, we will also realize cost savings. We would have had to apply sound treatment panels along three sides of the church and part of the ceiling if we scraped the ceiling and simply painted it.
- **THE HVAC SYSTEM (HEATING, VENTILATION, AND AIR CONDITIONING)** - After more consultation with two general contractors and multiple subcontractors, we are moving forward with having a professional clean the diffusers and supply air ducts after we remove the black insulation that’s deteriorating and falling out from inside the diffusers. We plan to install new flex piping as an upgrade and improve the current system. This will be a cost savings which will free up funds for other campaign projects as needed. We are inspecting elements from our current system that can be retained and reused and those that should be replaced. For example, the fans are in good shape, but the bearings and motors should be replaced. We are reaching out to Xcel Energy for further recommendations and to see if they offer any energy rebates for the upgrades we are doing, similar to the rebates we received when we upgraded our lights.

- **THE PEWS** - We are looking at removing the pews and having them refinished offsite rather than in place. By taking them offsite, we avoid having strong odors which could affect our ability to worship in the church while the refinishing takes place. While the cost is higher to have them refinished offsite, the finish will be more durable and the overall quality of the finished product will also be better.
- **THE SCHOOL BATHROOMS** - we are making great progress in the design phase of the bathrooms. We are moving forward with designs to have sinks in the hallways, which will reduce time in the bathrooms and allow for greater supervision. We are planning to complete as much of the work during this coming summer as possible.
- **THE SCHOOL CARPET** - With the remaining funds from Fund-a-Need at Wines to Wishes, we are replacing the carpet in four classrooms over Christmas break. We plan to replace the rest of the carpet in the summer with funds from this campaign.
- **STAINED GLASS WINDOWS** - We completed tuck pointing, sealed brick, and applied wet glazing on the stained-glass window above the baptistry. We believe that this will stop the water leak. We will know more in spring after analyzing how the upgrades handle the variables of a MN winter.

The other projects are still in process, and we plan to complete them with your help. I am grateful to our team of experts and consultants who continue to guide these decisions. We continue to strive for the \$5 million goal and we are well on our way. Any of the money not spent on the projects will go to strengthen our pastoral care ministry, which supports those in need in our community as well as cares for our homebound. We will also use excess funds to strengthen our Catholic School, so that we can help form more future saints.
